**MEDICATIONS:**

***Please bring your current medications with you to the hospital.***

Your usual medications should be taken with a small sip of water on the day of the tests (even though you are fasting). Please advise us if you are taking **WARFARIN**.

**DIABETIC PATIENTS:**

Please advise the office when booking if you are a diabetic. Do not take your diabetic medications ie: **Hypoglycaemic tablets and Insulin** without discussing with your doctor. Hospital and nurses cannot advise medication.

**ORAL CONTRACEPTIVES:**

These may not be effective after bowel preparation, take extra precautions for the rest of the month.

**CLOTHING:**

Have a short sleeve top or T-Shirt to wear for the procedure. Please leave your jewellery and extra cash at home

**TRANSPORT:**

You will need to arrange for a relative or friend to drive you home and look after you when you go home. Taxi drivers are unable to accept responsibility for your care on discharge from the hospital. **DO NOT** drive a car, motorcycle or operate machinery until after sunrise the following day

**ACCOUNTS:**

Please bring your Medicare card/Private Health Insurance details with you.

**IF YOU ARE HAVING ANY DIFFICULTY WITH THE BOWEL PREPARATION - PLEASE PHONE THE HOSPITAL WHERE YOUR PROCEDURE HAS BEEN BOOKED.**
